

Exchange Traded Managed Funds

Distribution Reinvestment Plan

The Distribution Reinvestment Plan (DRP) is a convenient way for you to increase your holding of Units in any listed fund managed by Perennial Investment Management Limited (Responsible Entity) by allowing you to automatically reinvest all or part of your Cash Distributions in additional Units, without incurring brokerage, commissions, or other transaction costs.

This Policy sets out the terms and conditions of the DRP. The DRP is not available to unitholders in the Fund (Unitholders) with registered addresses outside Australia and New Zealand.

If you wish to participate in the DRP, you must either:

For investors in EIGA, IMPQ, ECOR and EMAX

- a) Complete and lodge the DRP Electronic Election by logging into your holding on the Link Market Services Investor Centre website at www.linkmarketservices.com.au; or
- b) Complete the DRP Application Form which is available from the Unit Registry and return it to Link Market Services.

For Investors in DHOF

- c) Complete the 'Change of Investor Details' form found at the following link: https://daintreecapital.com.au/wp-content/uploads/2019/03/Daintree_Change-of-Details-Form.pdf and return the completed form to daintree.transactions@unitregistry.com.au

Completed Electronic Elections or Application Forms must be received by the Unit Registry or be lodged by 5:00 pm (on an ASX/Chi-X Trading day, Sydney/Melbourne time) on the first Business Day after the Record Date for a Distribution to be effective for that and future Distributions.

You may nominate part or all your unitholding for participation in the DRP. Your nominated

participation will apply to all subsequent Distributions until varied by you.

If you do not nominate your preferred distribution method, this will be taken to be a direction to reinvest distributions as part of the DRP.

If you do not wish to participate in the DRP, you are required to make a selection to pay your Distributions in the form of Cash Distributions. Should you choose to receive your Distributions as Cash Distributions and do not give us your Bank Account details, we will reinvest your distributions as part of the DRP until you provide us with your bank account details.

While this Policy outlines the main features of the DRP, it is not intended to provide financial, taxation or legal advice.

As Unitholders have different financial needs and taxation circumstances, you should choose your form of Distribution carefully.

If you are not sure which Distribution option is best for your needs, you should consult your own financial, taxation or legal advisers.

QUESTIONS AND ANSWERS

Defined terms in this section have the same meanings as the terms in the DRP Terms and Conditions. The following frequently asked questions are not exhaustive, and you should also read the detailed DRP Policy for further information.

Who can participate?

All Unitholders may participate in the DRP unless a Unitholder has a registered address outside of Australia or New Zealand.

Is participation optional?

Yes. Participation is optional, noting that you will be automatically enrolled in the DRP upon being registered as a unitholder.

How can I participate in the DRP?

If you wish to join the DRP, you are required to either:

For investors in EIGA, IMPQ, ECOR and EMAX

- complete the Electronic Election by logging into your holding on the Link Market Services Investor Centre website at www.linkmarketservices.com.au; or
- complete the Forms which are available from the Unit Registry and send it to the Unit Registry.

For investors in DHOF:

- Complete the 'change of details' form found here https://daintreecapital.com.au/wp-content/uploads/2019/03/Daintree_Change-of-Details-Form.pdf and return the completed form to daintree.transactions@unitregistry.com.au

Completed Forms must be received by the Unit Registry or Electronic Elections must be lodged by 5:00pm (on an ASX/Chi-X trading day, Sydney/Melbourne time) on the first Business Day after the Record Date for the relevant Distribution to be effective for that and future Distributions. The Responsible Entity has an overriding discretion to refuse to accept Units for participation in the DRP and to suspend or withdraw Units from participation.

Do I have to reinvest all of my Units?

If you decide to participate, you have two choices for your level of participation:

1. Full participation: Additional Units will be issued instead of the Cash Distribution otherwise payable on all the Units you hold; or
2. Partial participation: Additional Units will be issued instead of the Cash Distribution otherwise payable based on the number of Units you have elected to participate in the DRP. The Cash Distribution on the remaining (Non-Participating) Units will be paid to you by electronic transfer if you have given us your Australian dollar Bank Account details.

If a Form or Electronic Election does not specify the number of fully paid Units that are to be Participating Units in the DRP, you will be deemed to have applied to become a Full Participant in the DRP.

You will be bound by the Terms and Conditions of the DRP as they exist from time to time.

Do new Units acquired by me or issued under the DRP automatically participate?

This will depend on your level of participation. If you have elected full participation, then new Units acquired by you and issued under the DRP will automatically participate.

For Investors in EIGA, IMPQ, ECOR and EMAX:

If you have elected partial participation, then any new Units acquired by you and issued to you will not participate unless you complete a new Application Form or new Electronic Election.

For Investors in DHOF:

If you have elected partial participation, then all new Units acquired by you and issued to you will participate in the DRP.

If you have elected partial participation, new Units acquired by you and issued to you will have the same proportion subject to the DRP as your initial election.

What happens if I have more than one unitholding?

You will need to lodge a separate Form or separate Electronic Election for each separate unitholding and correctly identify the unitholding.

How can I vary my participation in the DRP?

If you wish to change the level of your participation in the DRP, or to withdraw from the DRP, you must:

For investors in EIGA, IMPQ, ECOR and EMAX

Complete the variation or withdrawal sections (as the case may be) of the Form and send it to the Unit Registry or make the Electronic Election to do so by logging into your holding onto:

- Link Market Services Investor Centre website at www.linkmarketservices.com.au

For investors in DHOF:

- Complete the 'Change of Investor Details' form found at the following link: https://daintreecapital.com.au/wp-content/uploads/2019/03/Daintree_Change-of-Details-Form.pdf and return the completed form to daintree.transactions@unitregistry.com.au

The form advising of the variation or withdrawal must be received by the Unit Registry or Electronic Election must be lodged before 5:00 pm (on an ASX/Chi-X trading day time, Sydney/Melbourne time) Record Date plus one Business Day if a change in your level of participation is to be recorded for that Distribution and subsequent Distributions.

At what price will the Units under the DRP be issued?

Additional Units will be issued to you at the net asset value of a Unit as determined in accordance with the Constitution on the Record Date.

What fees will be charged on the issue of Units under the DRP?

You will not be charged brokerage fees, commission, stamp duty or any other costs for any issue of Units under the DRP.

How do Units under the DRP rank?

All Units issued to you under the DRP will rank equally in every respect with the existing issued fully paid Units.

Can I sell my Units when I choose?

You may sell your Units participating in the DRP or acquired under the DRP at any time but when the Units are sold, they will be automatically withdrawn from the DRP on registration of the transfer. If you sell your units then your right to participate in the DRP cannot be transferred on sale.

How does taxation apply?

If you are an Australian resident, then Distributions reinvested under the DRP will, under current Australian income tax laws, continue to be assessable for income tax in the same manner as if you had received those Distributions in cash.

For Investors in EIGA, IMPQ, ECOR and EMAX:

If you have elected partial participation, and you sell some or all of your Units, the Units you sell will reduce, first, the number of your Non-Participating Units and, secondly, the number of your Participating Units unless you have varied your participation in the DRP by notice to the Unit Registry. The Responsible Entity does not take any responsibility for any taxation liabilities of Unitholders. The Responsible Entity strongly recommends that you seek professional advice with respect to your taxation position.

For Investors in DHOF:

If you have elected partial participation, and you sell some or all of your Units, your percentage allocation of partial participation will reduce accordingly.

If you have elected partial participation and you sell some of your Units, the remaining units will have the same proportion subject to the DRP as your initial election

The Responsible Entity does not take any responsibility for any taxation liabilities of Unitholders. The Responsible Entity strongly recommends that you seek professional advice with respect to your taxation position.

Can the DRP be modified, suspended, terminated, or reinstated?

The Responsible Entity may, at its discretion at any time, resolve to:

- a) vary the DRP and any agreement concerning the DRP;
- b) suspend the operation of the DRP; or
- c) terminate the DRP.

The Responsible Entity will give written notice to you if the DRP is at any time varied, suspended or terminated. Additionally, if the Responsible Entity decides to terminate the DRP, termination will not be effective until one month after notice of that decision is forwarded to you.

How do I keep track of my participation in the DRP?

If you participate in the DRP, the Responsible Entity will send to you after each Distribution Payment Date a statement detailing all relevant information concerning your involvement in the DRP, which includes the following:

- d) the number of Units participating in the DRP;
- e) your entitlement to the Cash Distribution;
- f) the number and price of Units issued under the DRP; and
- g) the amount and extent to which the Distribution is taxable (if known at that time).

- b) the number and value of the Units that may be issued to Unitholders in the relevant place; and
- c) the cost of complying with legal requirements and the requirements of any regulatory authority applicable to the making of offers and the issue of Units in the relevant place.

participate will apply to all of the Units held by that Unitholder.

- a) full participation; or
- b) partial participation, in a Plan. If the Notice of Participation/Variation in respect of any Holding does not clearly indicate the level of participation in the relevant Plan or does not provide an Australian dollar Bank Account for any residual cash distribution, the Responsible Entity may determine, without notice to the Unitholder, such Notice of Participation/Variation to be an application for full participation. If the Notice of Participation/Variation in respect of any Holding purports to elect both full participation and partial participation at the same time, it will be invalid and of no effect whatsoever resulting in no change to your participation status.

3.3. Full participation

Subject to Clause 2.3, if a Unitholder elects to participate, all Units comprised in that Holding from time to time, including Units issued or acquired pursuant to the relevant Plan, will participate in that Plan.

3.4. Partial participation

Subject to Clause 2.3, if a Unitholder elects partial participation in respect of a Holding:

- a) only the number of Units specified in the Notice of Participation/ Variation in respect of that Holding will participate in the relevant Plan such that the balance of that Holding will receive cash distributions paid to your nominated Bank Account in the normal way;
- b) if on any Record Date the number of Units comprised in that Holding is less than the number of Units specified in the Notice of Participation/Variation then all of the Units comprised in that Holding at that time will participate in the relevant Plan;
- c) any Units comprised in that Holding in excess of the number specified in the Notice of Participation/Variation, whether acquired under the relevant Plan or otherwise, will not participate in that Plan unless the Unitholder alters the participation level in respect of that Holding in accordance with Clause 4.1 or does not provide a Bank Account.

3.5. Limit to participation

The Responsible Entity may at any time by written notice to eligible Unitholder's limit participation in a Plan by limiting the amount of distribution which may be reinvested under that Plan.

3.6. Commencement of participation

4.1. Notice of variation or termination

Subject to Clause 2.3, a Unitholder may at any time give a Notice of Participation/Variation to the Responsible Entity in respect of any Holding:

- a) to increase or decrease the number of the Units comprised in that Holding which participate in the relevant Plan; or
- b) to terminate the Unitholder's participation in that Plan in respect of that Holding.

The alteration or termination takes effect from the next Record Date.

4.2. Increase to full participation

Subject to Clause 2.3, if a Unitholder increases the level of participation in a Plan in respect of any Holding to full participation, all Units comprised in that Holding as at the date of the Notice of Participation / Variation and all Units subsequently comprised in that Holding, including Units issued or acquired pursuant to that Plan, will participate in that Plan.

4.4. Termination of participation

If a Unitholder dies, participation in the Plan in respect of all of that Unitholder's Units will be terminated upon receipt by the Responsible Entity of written notice of the death. If a Unitholder is declared bankrupt or is wound up, participation in the relevant Plan in respect of all of that Unitholder's Units will be terminated upon receipt by the Responsible Entity of a notification of bankruptcy or winding up from the Unitholder or the Unitholder's trustee in bankruptcy or liquidator, as the case may be. The death, bankruptcy or winding up of one or more joint holders will not automatically terminate participation.

4.5. Reduction or termination of participation where no Notice of Participation / Variation is given

Where:

- a) all of the Units in a Holding are participating in a Plan and the Unitholder disposes of some of those Units then, unless the Unitholder advises the Responsible Entity otherwise, the remaining Units in that Holding will continue to participate in that Plan;
- b) Subject to Clause 2.3, some of the Units in a Holding are participating in a Plan and the Unitholder disposes of some of those Units, then unless the Unitholder advises the Responsible Entity
- c) otherwise, the Units disposed of will be deemed to be Units not participating in that Plan. If the number of Units disposed of is more than the number of Units not participating in that Plan, the disposal will be deemed to include all the Holding not participating in that Plan and the balance (if any) will be attributed to Units participating in that Plan; and (c) a Unitholder disposes of all Units in a Holding without giving the Responsible Entity a Notice of Participation/Variation, the Unitholder will be deemed to have terminated participation in the relevant Plan in respect of that Holding on the last date on which the Fund registered a transfer or instrument of disposal in relation to that Holding.
